1. Comment. The troop train carried a component of the 8th Gds Mecz Div. 25X1
went to Koenigsbrueck for a three-day firing practice.
2. Comment. Zeitz was probably misread and possibly stands for Zeithain. It is
believed that a component of the 9th Tk Div. moved from Zeithain to Koenigsbrueck.
The movement of a component of the 20th Gds Mecz Div. from Zeitz to the Koenigsbrueck
troop training grounds would be rather unusual.
3. Comment. The five troop trains which went from the area of the 8th Gds 25X1
Mecz Div. to Weimar have not been identified.
